SERIAL No. 8

The Co operative Conference met on 3 days and the proceedings came to an end this noon.

There were 500 Co operators present besides a large number of visitors and sympathizers. 37 questions relating to Co operation of various kinds were discussed. The discussions

were carried on in an intelligent manner and were characterized by keenness & enthusiasm. I was surprised to find that the details were so well known & appreciated by the members. The weak points of the movement were argued with much ability & knowledge On the whole I am glad that the Co-operative movement is making headway in our Province. The Class of people taking interest in it Came from the masses.

There were 3 Vaneharma
delegates present today from
Mandya. We had a prominent
Vysia Co-operator from Salem
The proceedings were conducte
in good humour & the greatest
friendliness prevailed.

The printed report of the Proce
ings will issue in due cours

Yours sincerely
